

Hope After Dope

Newsletter December 2011

As we enter into a new year we are excited about what God is doing at the House of Hope. God has opened many new doors by letting us visit Bethlehem Baptist Church. We also visited Calvary Baptist Church and Solid Rock Baptist Church. We were graciously allowed to present the ministry at Solid Rock Baptist Church. The love and support we felt from each congregation was such a blessing and encouragement to our heart. Please keep us in your prayers as we travel to First Baptist Church in Hildebran in the upcoming month to present the ministry. We also plan to visit Trinity and Sandy Flats Baptist Church. Please pray the Lord grant us travelling grace. Without the support of each church and individual in prayer and financial giving to this ministry as God leads and provides our work would not be possible. We would like to thank all those who have helped us locate wood for the heating of the house. We are still trusting God to provide a 4WD truck to transport it with; even if it's just borrowed a truck is greatly needed at this time of year. We are also still looking for a minivan to transport all the guys at once. This is vital as we travel together to present the ministry and do a lot of daily tasks. We would like to extend our heartfelt prayers and condolences to Bro. Alan Carr on the recent passing of his father and Bro. Jessie Carr on the passing of his grandfather.

Special Needs

HAD Ministries has several needs that we need prayer and consideration of anyone that might be able to help us.

1. We are presently down to two working vehicles, both of which are in need of some repairs. We are also headed into the winter season and road conditions in the high country are harsh. We are in need of a four wheel drive (4WD) vehicle. Also, **the ministry needs a minivan** that can transport all of the guys at once. Any help in locating these will be greatly appreciated. Anyone making such donation is entitled to **a tax write-off of the full blue book value.**
2. We heat our facility by burning wood and right now we are looking for anyone that might know of any wood that could be donated to us. You can contact us at (828) 964 5881 or (828) 964 1056. Also we are in need of a truck to transport collected wood to the house **(even just one to borrow would be a blessing).**

The Fruit Basket

We Praise the Lord for a full house. The men are all doing well and there have been no relapses
