

Hope After Dope

Newsletter September, October & November

Snowflakes are falling and smoke is rising from chimneys all over the high country. The animals have prepared for the long winter. There has also been a lot of preparation going on at the house. The house is wood heated and so far we have been blessed with a few loads of wood for which we are grateful but that will not be sufficient for the winter ahead. There have been four new men that have come to the house since August. Two are still with us and doing well. Unfortunately two men have relapsed and moved on. We also received a lot of phone calls of those wanting to come to the house but there was simply no room. Please help us pray that God will open doors for expansion of the ministry. We have also appointed a new board of directors and are excited about the fresh ideas that we have begun to implement including the cup of hope program.. A new person will be creating the newsletters as well as managing the website for us. While the transition has been being made we have gotten behind on monthly newsletters. However, with the changes in places monthly newsletters as well as regular, informative updates will resume to the website. We will strive to make the website the place for the most up to date information on what is happening in the ministry. We will also be putting a copy of this and all future newsletters in pdf format online on our website

Special Needs

HAD Ministries has several needs that we need prayer and consideration of anyone that might be able to help us.

1. We are presently down to two working vehicles, both of which are in need of some repairs. We are also headed into the winter season and road conditions in the high country are harsh. We are in need of a four wheel drive (4WD) vehicle. Also, the ministry needs a minivan that can transport all of the guys at once. Any help in locating these will be greatly appreciated. Anyone making such donation is entitled to a tax write-off of the **full blue book value**.
2. We heat our facility by burning wood and right now we are looking for anyone that might know of any wood that could be **donated to us**. You can contact us at (828) 964 5881 or (828) 964 1056. Also we are in need of a truck to transport collected wood to the house.

The Fruit Basket

The two clients mentioned in the August newsletter are doing well. We have also had another client graduate. We ask that you continue to remember them in your prayers

Our Personal Gratitude

We wish to extend a special thank you to all those that recently committed to the new cup of hope program. Your monthly support is truly making a difference. We wish to thank and

welcome aboard our new Board of Directors. We thank you for all your time and effort that you put in behind the scenes to make the ministry possible and look forward to what God has in store. We wish to thank all of Churches that came together to hold two fundraisers for us. We deeply appreciate Clifton Baptist Church Pastor Jimmy, Dyson Grove Baptist Church Pastor Leonard & Temple Baptist Church Pastor Shane for their combined fundraiser at Clifton Baptist Church in Warrensville, NC. Also thank you to Redeemed Baptist Church Pastor Alan, Antioch Baptist Church Pastor George & New Hope Baptist Church Pastor Lance for their combined fundraiser at Redeemed Baptist Church in Lincolnton, NC. The funds given will help the house continue to reach out. We also would like to thank the churches that have continually supported Hope After Dope Ministry by listing them below. We, at the House of Hope pray that God will bestow more blessings on these Churches that continue to give so generously to the House Of Hope.
